- [1] "The Effects of Using Internet Regarding Environment Pollution", The 25th Central European Conference on Information and Intelligent Systems, Student Online Section, Varazhdin, Kroaci (17.09.2014 – 19.09.2014)
- [2] "The Advantages and Disadvantages of the Use of Multimedia in Education", Researching Paradigms of Childhood and Education, Opatija, Kroaci (13.04.2015 – 15.04.2015)
- [3] "A simulation model of the performance of a network structured according to the OSPF protocol", The 26th Central European Conference on Information and Intelligent Systems, Student Online Section, Varazhdin, Kroaci (23.09.2015 – 25.09.2015)
- [4] "The enhancement of the one-dimensional signal through Kalman filtering", The 3rd International Conference on "Research and Education – Challenges Towards the Future, Shkoder, Shqiperi (23.10.2015)
- [5] "The execution speed increasing if image scaling through bi-linear interpolation method" The 27th Central European Conference on Information and Intelligent Systems, Varazhdin, Kroaci (21.09.2016 - 23.09.2016)
- [6] "The simulation of edge detection through Matlab of a binary image" The 27th Central European Conference on Information and Intelligent Systems, Varazhdin, Kroaci (27.09.2017 – 29.09.2017)
- [7] "The designing of a simulation model through Matlab of fingerprint recognition" The 28th Central European Conference on Information and Intelligent Systems, Varazhdin, Kroaci (27.09.2017 – 29.09.2017) -
- [8] "Retinal bio-metric recognition in the context of preliminary development to actual applicative systems/ (Simulation model under Matlab)" The 29th Central European Conference on Information and Intelligent Systems, Varazhdin, Kroaci (19.09.2018 – 21.09.2018) -
- [9] "Gait recognition improvement based on spatial-domain energy deviation image" The "Research Applications and Educational Methods" Conference, Korce, Shqiperi(12.05.2019)
- [10] "The moving object reflected on Matlab test-bench /(Simulation model through built-in functions)" The 29th Central European Conference on Information and Intelligent Systems, Varazhdin, Kroaci (21. 09.2018– 21.09.2018)
- [11]"The Improvement of Face Recognition Using the Principal Component Analysis Algorithm" The 30th Central European Conference on Information and Intelligent Systems, Varazhdin, Kroaci

(02.10.2019 – 04.10.2019)

- [12] "The Implementation of an Improved Adaptable Fingerprint Minutiae Extraction Algorithm Based on Machine Learning Perspective" The 30th Central European Conference on Information and Intelligent Systems, Varazhdin, Kroaci (02.10.2019 – 04.10.2019)
- [13] "The Analysis of Modified Fuzzy Logic Speech Recognition Simulation Model" The 30th Central European Conference on Information and Intelligent Systems, Varazhdin, Kroaci (02.10.2019 – 04.10.2019)
- [14] "The Performance Analysis of two Algorithms used on Simulating the Knight Tour Problem" The 31st Central European Conference on Information and Intelligent Systems, Varazhdin, Kroaci (07.10.2020 – 09.10.2020)
- [15] "The Contribution of Artificial Intelligence in Personalized Learning Methodology in Education" The 34th Central European Conference on Information and Intelligent Systems, Varazhdin, Kroaci (20.09.2023 – 22.09.2023)
