

## CURRICULUM VITAE

<b>Name of Professor:</b>	Veronika Shendova
<b>Date of Birth:</b>	5 <sup>th</sup> June 1961
<b>Country of Citizenship/Residence</b>	North Macedonia
<b>Contact info</b>	<a href="mailto:veronika@iziis.ukim.edu.mk">veronika@iziis.ukim.edu.mk</a> ,

### Education

Institution [Date from - Date to]	Degree(s) or Diploma(s) obtained:
Institute of Earthquake Engineering and Engineering Seismology, UKIM – IZIIS; University “Ss. Cyril and Methodius”, Skopje, Republic of North Macedonia, (1993-1998)	PhD in Earthquake Engineering, Diploma 1998 (Thesis Title: <i>"Seismic Strengthening and Repair of Byzantine Structures (9th - 14th Century) located in Macedonia"</i> ).
Imperial College, London, UK (January – June, 1996)	Study stay as Academic Visitor
UKIM – IZIIS; Skopje, (1985-1988)	M.Sc. in Earthquake Engineering, Diploma 1988
Civil Engineering Faculty, University “Ss. Cyril and Methodius”, Skopje, Republic of North Macedonia, (1979-1984)	B.Sc., Graduated Civil Engineer, Diploma 1984

### Employment record:

Period	Employing organization/ title/ position / references	Country	Summary of activities performed
<b>Academic Appointments</b> 2008- present 2003-2008 1998-2003 1991-1998	Institute of Earthquake Engineering and Engineering Seismology, UKIM – IZIIS, Skopje Professor, Associate Professor Assistant Professor Research Assistant	North Macedonia	Research and teaching in the field of: Engineering Materials; Design of Earthquake Resistant Structures; Repair and Strengthening of Reinforced Concrete and Masonry Structures; Earthquake Protection of Traditional Masonry Buildings and Monuments
<b>Professional Appointments</b> 2007-present	Institute of Earthquake Engineering and Engineering Seismology, UKIM – IZIIS, Skopje Head of Department: Building Structures and Materials - Design, Analysis and Testing,	North Macedonia Balkan region	applicative activities, consulting services and realization of projects in the domains of design, diagnosis, repair, strengthening and

2003-2007	<p>Member of Management Council</p> <p>For references:  <a href="http://www.iziis.ukim.edu.mk/en/departments-2/building-structures-and-materials/">http://www.iziis.ukim.edu.mk/en/departments-2/building-structures-and-materials/</a></p> <p>Coordinator of the International Course on Aseismic Design and Construction, CADAC,  Ministry of Foreign Affairs of the Netherlands, IZIIS – Skopje,  Ministry of Science of Republic of Macedonia</p> <p>For references:  <a href="http://www.iziis.ukim.edu.mk/en/about-studies/cadac-en/">http://www.iziis.ukim.edu.mk/en/about-studies/cadac-en/</a></p>		<p>reconstruction of earthquake-resistant high-rises by application of traditional and innovative techniques and materials</p> <p>upgrading of professional knowledge of (520) civil engineers from the (72) developing countries in aseismic design and construction of masonry and reinforced concrete structures</p>
<p><b>Other Appointments</b></p> <p>2021-present</p> <p>2017-2020</p> <p>2005-2019</p>	<p>Macedonian National Committee ICOMOS Macedonia (NGO)</p> <p>Vise President</p> <p>Member of Executive Board</p> <p>Coordinator of Sub-Committee for analysis and restoration of architectural heritage</p> <p>For references:  <a href="https://macedonia.icomos.org/">https://macedonia.icomos.org/</a></p>	<p>North Macedonia</p> <p>Balkan Region and beyond</p>	<p>Expertise dedicated to the repair, seismic strengthening and conservation of the traditional masonry structures, monuments and sites of high importance</p>

#### Membership in Professional Associations and Publications:

- Macedonian Association of Structural Engineers (MASE)
- Macedonian Association of Earthquake Engineering (MAEE)
- International Council on Monuments and Sites (ICOMOS)
- European Association of Earthquake Engineering (EAEE)
- European Cooperation in Science and Technology (COST)
- Technical Committee of Institute for Standardization of N. Macedonia, ISRM TK30 – TK40: WG6

**State Licenses:** issued by the Chamber of Licensed Architects and Engineers (Article 17, Paragraph 2, of the Law on Construction (Official Gazette of the Republic of Macedonia No. 130/2009)

State License A for Elaboration of Design Documentation in Civil Engineering Field

State License A for Review of Design Documentation in Civil Engineering Field

State License B for Elaboration of Design Documentation in Civil Engineering Field

State License B for Review of Design Documentation in Civil Engineering Field

[NOTE] With License A, relevant for structural category A, and License B, relevant for structural category B, the License holder is licensed for Design, Revision or Supervision of Construction of all structural types as defined by the Law on Construction (Official Gazette of the Republic of Macedonia No. 130/2009).
