# Qyteti Studenti, Tirana

The Student City is an enormous area that offers students residences, including almost 30 major buildings, with a surface of around 250,000 sqm. It is an easily identifiable area of Tirana as thousands of students every year reside and contribute in the social life of the "city".

## 5 reasons why to choose the Student City:

1. Convenient location near most of Tirana's Universities and near the National Park of the capital. This geographical position makes it easier for students to move and creates opportunities to have a healthier life near green and relaxing environments.
2. Student City is quite easy to reach by public transport.
3. Accessible facilities: shops, cafes, restaurants, Emergency hospital Services, Police, Fire Fighting Station.
4. Amazing parks and green areas.
5. Only a few minutes away from University Metropolitan Tirana

## Type rooms

The type of rooms in the specific buildings 18/22/23 that are brand new reconstructed are designated to accommodate 4 students per room. The rooms are divided in two rooms and each has a private main entrance. The space that connects both rooms is the shared *jack and jill* style of bathroom. One of the two rooms in most cases includes a balcony.

*A typical room varies from 60 euros per person up to 100 euros.*

*This is an example of the concept Jack and Jill*

## Common Areas

Most of the dormitories in the new buildings include common areas which students can use to fulfill their daily personal duties. These areas include:

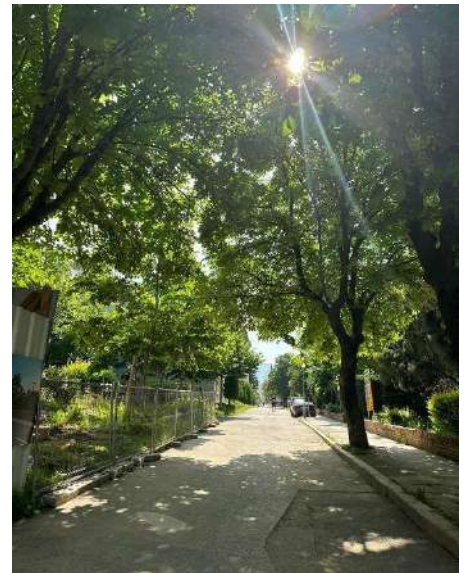

1. Kitchen equipped with stoves, fridges.
2. Eating area
3. Laundry
4. Study area
5. Working area
